

Getting children involved in sport is child's play with our exciting range of sporting activities for all abilities and ages!

Are you looking for a fun, easy, flexible way to run sports activities - both in and out of school?

We provide half-day and full-day sports sessions tailored to children's needs complete with qualified, CRB-checked coaches and equipment - from as little as £10 per child for a 2 hr session (min numbers apply).

Turn over to find out more!

A Sporting Chance For All

Our Sports Zone sessions are designed specifically for schools, giving every child the chance to participate in fun, inspirational, accessible and inclusive sports such as football, tag rugby and multi-sports.

We offer half-day and full-day sessions. Activities can be tailored to meet your specific requirements. Sessions are suitable for all age groups and abilities including children with disabilities and additional needs.

Our Sports Zone sessions will give children:

- Positive, stimulating learning experiences
- An introduction to different sports
- The chance to develop physical, mental, emotional and social skills
- A fun way to keep fit and active

Sessions are run by our qualified, experienced, CRB-checked sports coaches and we provide all equipment.

Who Are We?

We've been at the heart of children's play for over 20 years now, supporting schools, nurseries, families and communities in the Newark and Sherwood District and beyond.

We provide information, advice, support and resources including a great range of activities and events for children and young people including Sports Zone sessions. We also offer equipment hire, recycled materials for arts and crafts and support to communities who want to set up their own play projects.

How Could Sports Zone Benefit Your School?
